

ST. PAUL'S JUNIOR USHERS SCHEDULE
 September 2009 –February 2010

This schedule is made up of youth in grades 3-5. The Junior Usher assists the usher team by passing out bulletins and helping with the other ushering duties during the 10:30 service until time to leave for Children's Chapel. When you return to the service from Chapel, you will help take up the offering.

Please try to be on duty by 10:20; go to the narthex in the front of the church and report to the usher team. Smile and greet people warmly. If you cannot serve on your assigned day, try to trade with another person and let the Parish Office know (845-7301). Thank you for your service as Junior Usher.
